Education

**UNIVERSITY OF GEORGIA
Turfgrass Management**

ATHENS, GA
Anticipated Graduation December 2008

- Current GPA is 3.6
- Made Dean's List in all 4 out of 6 semesters completed

Personal

I would consider myself a laid back guy with a good sense of humor. I am not the most talkative person, but in certain situations that can change. I have a good work ethic and am a hard worker. My main interests involve sports, especially football, baseball and golf. I am very interested in golf courses, which is why I am seeking a career in turfgrass management.
