

**The Turf Club met on September 15th at 5:00p.m.**

Sam Burgess talked to the president of the ABAC Turf Club and they agreed to a golf match with the UGA Turf Club. Our Club will hold a competition in which the top four receiving the lowest scores will represent our Club in the match with ABAC. Details will be forth coming.

There was a lot of discussion of having a Long Drive Contest during the Junior Golf Tournament at the UGA Golf Course on October 17th. Each member is expected to find sponsors for this event. More details will be soon.

It was decided to order polo shirts for the Club. Kyle LeBlanc made contact with a local company and the Club will sell the shirts for \$20 to Club members and \$25 to non-members. The shirts will be white with the Georgia "G" in black with the word "Turfgrass" underneath. Twelve shirts will be ordered.

The Turf Club will send representatives to the Georgia Golf Course Superintendents Annual Meeting at Stone Mountain. The Club will have a table set up during the Vendor Fair. We hope to sell decals, tee shirts and the golf shirts if they come in on time. The Club needs at least four people to attend this event on October 26. The Vendor Fair starts at 11:00a.m.

On October 23rd- the Dept of Crop and Soil Sciences will have a cookout at the Watkinsville Farm. Everyone is encouraged to attend. It begins at noon.

Respectfully submitted,

Adam Leakey  
Secretary

Also, Britt has ordered a new dri-fit T Shirt that will go on sale soon. We do still encourage you to order the other one for events and to represent the Turf program at Georgia.
